

Designation: Principal Scientist
Discipline: Microbiology
Division: Plant Pathology and Microbiology
Telephone: 0674-2557925 (O) (M) 8280241805
Email: nguc2003@yahoo.co.in

Research Areas

1. Fungal Diversity in Forest soils, Mangroves, Orchids, Medicinal plants
2. Microbial Enzymes (L-asparaginase), Exopolysaccharides, secondary metabolites
3. Development of Bioinoculants and applications on forest trees and other economically important plants

Brief account of Research & Publication

	At RPRC	National	Overseas	Total
Research Experience	20 years	10 years	-	33
Research Projects	30 (DBT -1, CSIR-1, MOEF-4, DOD-2, NMPB-1, ST, GOO -1, OBB-1 F & Env.State Plan-19)	3 (DST, MPCST, UGC)	-	33
Research Publications	118	24	-	142
Books/ Booklets/conf.Proceedings	3	-	-	3
Book Chapters/review articles	10	3	-	13
Brochures	-	-	-	-
Research/ Technical Reports	-	-	-	-
M. Sc./ M. Phil./ B. Tech. thesis supervised	55	-	-	55
Ph. D. awarded/ submitted/ continuing	7 awarded 2 continuing	-	-	9
Visit Abroad	Thailand , Indonesia
